

ATTRACKT

JUNE 2026

LOW-VOLTAGE TRACK LIGHTING, BEAUTIFULLY SIMPLIFIED.

ATTRACKT is a modular 24V magnetic track system designed to put accent light exactly where your space needs it. Snap fixtures into place, reposition as the room evolves, and build a lighting layout that's as flexible as your design.

RESIDENTIAL

CHICKLET

The best home lighting disappears into the architecture. ATTRACKT brings gallery-quality light to kitchens, living rooms, and bedrooms. It's effortlessly repositionable as your space evolves. It's the system that works as hard as your design does.
